

# ***DN971 Shopfront Lock*** ***With Stainless Steel Deadbolt***

DN971/28D Shown

# DN971 Shopfront Sliding Door Lock

Suitable for all sliding commercial applications, the DN971 lockset range is the first choice when it comes to strength and durability!

Manufactured from 316 Stainless Steel and Zinc components, the DN971 delivers the highest level of corrosion resistance.

The Egress model offers an easy escape in emergencies via a smooth downward single action lever.

The DN971 is also available in the more traditional double cylinder and cylinder turn versions as required.

Tested to the highest of Australian standards, the DN971 range meets and exceeds the requirements of AS4145, AS1428 & BCA22.1 Australian industry standards.

## Features
